Visitors to SSE During School Hours

We are working to minimize interruptions during instructional time. Thank you for helping us implement these measures to support focused learning.

- If you are dropping off an item or picking up a student, please check in with the office. We will deliver the item or bring your student to you.
- If you are picking your student up early, sign them out on the student clipboard in the office.
- All visitors and volunteers please sign in and sign out on the visitor clipboard in the office.

In the event of an emergency, these clipboards will be collected and brought to our muster point.

Reminders

Playground Update – Swing Rules

Please note: The large swing will now be closed from dismissal until 3:45 PM, when supervision ends at SSE. At 3:45 PM, the cone will be removed, and it will be up to parents to ensure swing usage remains safe.

Swing Rules:

Only two people at a time, Sitting only, Push from the sides, not from the ends

These are the guidelines we use during school hours to help prevent injuries and ensure a fun, safe environment for all. We appreciate your support in reinforcing these rules after school hours as well.
