

Policy 4.50 Video Surveillance

For reasons of enhancing the safety of students, staff and others on school premises and maintaining, protecting and otherwise controlling and securing district property, the Board of Education authorizes the use of video surveillance equipment, where circumstances indicate that it supports these purposes.

The Board recognizes their responsibility to provide a learning and working environment for students, staff and others that recognizes the right to assemble and associate without undue intrusion on personal privacy balanced with commitment for the protection of District property and the property of others.

The use of video surveillance shall comply with all federal and provincial legislation and regulation. In no case, is video surveillance intended to monitor the work of employees.
