JOB CLASSIFICATION GUIDELINES

(for information purposes)

A. Three (3) categories of work:

- Clerical: - Work involving office administration
- Operations: - Work involving care of facilities/equipment and driving a bus to transport children
- Paraprofessional: - Work involving instruction/care for students

Each category of work encompasses subcategories as follows:

- Clerical: - Accounting, Administrative Assistant, Executive Assistant
- Operations: - Bus Driver, Building Service Worker, Maintenance, Information Technology
- Paraprofessional: - Classroom, Support Services, Early Childhood Educators

B. Six (6) levels of work within each category: I, II, III, IV, V, VI:

The levels are universal to all categories of work.

The level of each job is determined by the aggregate points for the job considering the five factors – skill, responsibility, mental effort, physical effort and working conditions – per the CUPE Gender-Neutral Five Factor Job Evaluation Plan, in accordance with the Pay Equity agreements dated June 21, 1999 and April 4, 2001. The factors of skill and responsibility count 35% each and the factors of mental effort, physical effort and working conditions count 10% each toward the total points for the job. Aggregate points for the six levels are described in the table below.

Pay Level	Min. Points	Max. Points	Point Range Per Pay Level
I	1	50	49
II	51	70	19
III	71	94	23
IV	95	119	24
V	120	145	25
VI	146	174	28

C. **The Five Factors:**

1. **Skill**

This factor measures the general **knowledge** and specialized, vocational, college or university training necessary, the total amount of practical **experience** required and also the amount of **judgement** required to perform the job duties.

2. **Responsibility**

This factor measures accountability by the effect of actions that could cause a loss of time or resources; the degree of care required to prevent injury or harm to others; the extent to which an employee is required to supervise the work of others; the contacts necessary in communicating with others, in varying degrees (i.e., casual, informative, complaints or negotiations).

3. **Mental Effort**

The factor measures the period of time wherein mental, visual and/or aural attentiveness is required on the job. Consider both the length of time of attentiveness and also the frequency at which it occurs.

4. **Physical Effort**

This factor measures the amount of physical effort (i.e., light, medium and heavy) and duration required. Also the levels of manual dexterity by considering the elements of speed and/or accurate hand/eye (or hand/foot) coordination.

5. **Working Conditions**

This factor measures the type (minor, major) and frequency of disagreeable conditions under which an employee is required to carry out the job duties.

ATTACHMENT 1

2022-2025 Provincial Framework Agreement

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.

- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.

2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;

- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy

and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.
