

School District No. 64 (Gulf Islands) invites applications for a 1.00 FTE continuing position for a Speech and Language Pathologist for Pre-K – Grade 12. This position is effective September 1, 2024. The starting annual salary for this full-time position ranges from \$68,017 to \$109,520, with placement on the range based on length of service and qualifications in accordance with the collective agreement.
(www.sd64.bc.ca)

The District Speech and Language Pathologist will:

- Coordinate Speech-Language Services with school teams
- Collaborate with school teams in support of IEP development and curriculum delivery for students who require Speech Language services i.e. team teaching, IEP adaptations and modifications
- Foster the development of strong literacy and numeracy skills by utilizing a variety of communications techniques, instructional skills, and teaching methodologies
- Integrate information and communication technologies to support teaching and learning
- Work with the Multidisciplinary Team and Learning Services team members to provide support services across the district
- Establish, with School Based Teams, a method of service delivery that includes caseload selection and scheduling, record keeping, evaluating programs, developing instructional materials and scheduling and supervising speech-language assistant

Necessary Qualifications:

- Master's Degree or equivalent in Speech Language Pathology (or in progress)
- Registered with the College of Speech and Hearing Health Professionals of BC
- Eligibility for membership in the British Columbia Association of Speech-Language Pathologists and Audiologists (BCASLPA) and/or Speech-Language and Audiology Canada (SAC);
- Proven ability to integrate the use of technology to support an effective learning environment
- Ability to carry out a variety of informal and formal educational assessments, including classroom observation and curriculum-based assessments
- Current experience in positive behaviour support systems
- Collaborative approach to working with colleagues and parents and a commitment to work on team goals for the improvement of student achievement
- Exemplary experience working in inclusive environments supporting learning for all students
- Class 4/5 driver's license, safe driving record and use of personal vehicle

Desired Qualifications:

- Experience with external agencies and inter-agency case management
- Exemplary experience with assessment, program planning, intervention and consultation as a speech language pathologist in the public school system
- Commitment to professional growth

Applications will be reviewed as they are received. You are encouraged to submit your application (in a single PDF doc) prior to this date for full consideration; however, the competition will remain open until a successful candidate is found or until otherwise advised on our website.

Complete application packages in a single PDF document should be directed to:

c/o Clare Lundy, Human Resources Manager

Email: clundy@sd64.org

Please include with application:

- Letter of application
- Current resume or portfolio with supporting documents that ensures qualifications are met or exceeded for this position
- Names of three professional referees including their addresses, phone numbers and email addresses

Please note: incomplete applications will not be considered.

Thank you to all who apply; however, only those chosen for an interview will be contacted.
