

Galiano Community School

Code of Conduct

2026-27

Statement of Purpose:

Galiano Community School strives to create a respectful and inclusive environment for all members of the school community. Our school is a partnership of students, staff, parents and community members. Together we are dedicated to nurturing the joy of learning. We foster the development of intellectual, social, emotional, physical and artistic aspects of growth. The developmental nature of learning is valued and supported through our educational practice. As a community, we are committed to providing an environment that helps us to reach our goal.

The purpose of our Code of conduct is:

- to establish and maintain a safe, caring and orderly environment that is conducive to intellectual, social, emotional and physical growth and development
- to identify, teach, model and support expected behaviours while at school and at school-sponsored functions and activities in the community
- to foster respect, fairness, inclusion and equity
- to provide the framework to develop increasing personal and social responsibility self-regulation/self-discipline and co-regulation

Technology Use:

In accordance with Ministerial order number M89, the use of personal digital devices at school is restricted, including during hours of instruction, to promote online safety and focused learning environments. Use of personal digital devices is not permitted except in special circumstances for accessibility and accommodation needs, medical and health needs or equity to support learning outcomes. Personal digital devices may be used for instructional purposes and digital literacy, but only when appropriate to the student's age and developmental stage. By adhering to these guidelines, we aim to support our students in developing healthy digital habits and thriving in both their academic and social lives.

Expectations for Behaviour:

Galiano Community School promotes the values expressed in the BC Human Rights Code respecting the rights of all individuals in accordance with the law-prohibiting discrimination based on Indigenous identity, race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, age of that person, or that group or class of persons - in respect of discriminatory publication and discrimination in accommodation, service and facility in the school environment.

Our Code of Conduct is based on the *Galiano Community School Bill of Rights and Responsibilities* and is taught through our Positive Behaviour Support, known as SOLE. The four tenets of SOLE at Galiano Community School are:

1. Respect and Care for Self
2. Respect and Care for Others
3. Respect and Care for Learning
4. Respect and Care for Environment

SOLE outlines the framework for expected behaviours to support students to interact and engage with oneself, others and the environment in an appropriate, meaningful and respectful manner. SOLE is regularly discussed and assessed to ensure that all members of the school community are familiar with the language and expectations so that everyone is able to

make informed and appropriate choices in the way each individual conduct themselves at school and at school functions and activities in the community. Examples below do not represent an all-inclusive list:

Respect and Care for Self- *Some examples include:*

- Taking care of belongings
- Healthy eating/sleeping/exercising at appropriate times
- Checking in if you are late or leaving early
- Cleaning up after yourself
- Identifying and sharing feelings/emotions

Respect and Care for Others- *Some examples include:*

- Respect each individual's gifts and abilities
- Be inclusive and invite others into activities
- Respect and care for materials belonging to others
- Use appropriate, kind and encouraging language and support and look after each other

Respect and Care for Learning- *Some examples include:*

- Take pride and responsibility for work
- Complete assignment to the best of one's ability
- Participate fully in class work activities and ask for help/support when needed
- Practise 'Whole Body Listening'
- Recognize the role of Indigenous Knowledge

Respect and Care for Environment- *Some examples include:*

- Show care for living things
- Leave a space the way you found it (or better)
- Dispose of your garbage and recycling appropriately
- Respect and Adhere to Boundaries

Unexpected/unsafe Behaviours

The following behaviours are examples of unacceptable conduct and are not an all-inclusive list. Members of the Galiano Community School are expected to refrain from the following:

Behaviour that:

- interferes with the learning of self or others
- interferes with an orderly environment
- creates unsafe conditions

Acts of:

- bullying, cyberbullying, harassment, intimidation, or threat
- violence
- retribution against a person who has reported incidents.

Illegal acts, such as:

- possession, use or distribution of illegal or restricted substances
- possession or use of weapons
- theft or damage to property

Consequences

At Galiano Community School, we consider the severity and frequency of unacceptable conduct, the impact on others, as well as the age, maturity and developmental level of the offender in determining the appropriate disciplinary action. Special considerations may apply to students with special needs if these students are unable to comply with the Code of Conduct due to having a disability of an intellectual, physical, sensory, emotional or behavioural nature. Our staff will ensure:

- responses to unacceptable conduct are consistent and fair
- wherever possible, disciplinary action is preventative and restorative rather than merely punitive
- as often as possible, students are encouraged to participate in the development of meaningful consequences for violations of the established code of conduct
- that reasonable steps will be taken to prevent retaliation against students who inform staff of another student(s)' breach of the Code of Conduct

Unexpected Behaviours may have the following response:

For Mild Behaviours (i.e. not cleaning up after oneself, hurtful comments)

- review expectations and redirection of behaviour
- create conversation between affected students to address the conflict and learn from it
- guide and support student to fix mistake/incident

For Moderate Behaviours (i.e. swearing, breach of privacy)

- a response/fix is created that establishes accountability, repairs the harm, restores the relationship and are logically connected to the behaviour by a staff member or member of the team
- behaviour will be documented
- parents/guardians will be informed when behaviour concerns become more frequent or escalate

For Severe Behaviours (i.e. an activity that has a harmful effect on or jeopardizes the safety and or well-being of others)

- behaviour will be documented
- parents/guardians will be informed
- school district officials will be contacted
- possible short term (in-school or home) suspension
- possible consultation with police and other agencies

The Galiano Community School Code of Conduct has been structured to align with and adhere to the standards outlined in:
