Core Comp Communication Self Reflect Nov 2025

"When teachers trust us to try our own ideas, it pushes me to do better work."

-Grade 11 Student

Mastery

"It feels good when I finally understand something after struggling with it."

-Grade 8 Student

"Rubrics help me know what to aim for, but sometimes it still feels like guessing."

-Grade 10 Student

"I feel confident showing what I know in my own way."

-Grade 12 Student

Identity

"I'm figuring out what kind of learner I am."

-Grade 8 Student

"Sometimes I just go through the motions though, because I'm focused on graduating."

-Grade 12 Student

Creativity

"I like when I can design something new or original — it feels like mine."

-Grade 12 Student
